    Assistant Vice President & Systems Manager

Bank of Hawaii   **Honolulu, HI**   **07/1997-11/2004**
    Senior Analyst

Courses taught for College of Professional Studies

CSCI 1041	Digital Literacy in a Global Society
CSCI 1611	A Gentle Introduction to Programming
CSCI 2913	Data Structures
CSCI 3001	Assembly Language & Systems Programming
CSCI 3101	Algorithms
CSCI 3201	Information Management Using Spreadsheets & Databases
CSCI 3211	Systems Analysis
CSCI 3301	Database Technologies
CSCI 3401	Data Communications
CSCI 3501	Computer Organization
CSCI 3601	Operating Systems
CSCI 3621	Networking
CSCI 3640	Computer Security & Information Assurance
CSCI 3771	Python
CSCI 3911	Software Engineering
CSCI 4911	Software Project I (Capstone)

Courses taught for College of Business

MIS 3000	Fundamentals of Information Systems
IS 6380	Systems Forensics

Courses taught for College of Natural and Computational Sciences

CSCI 3640	Computer Security & Info Assurance

Cybersecurity courses scheduled for Spring 2019

CYBS 2201	Fundamentals of Cybersecurity
CYBS 2202	Fundamentals of Network Security
CYBS 2203	Secure Programming

University Services

- Attend regular college and department faculty meetings
- Attend all CPS faculty forum meetings
- Attend Computer Science department meetings and participated in decision making
- Attend ABET meeting for Computer Science
- Serve as Curriculum Area Liaison for Computer Science in CPS
- Helped with the review of AS and BS in Computer Science fact sheets
- Reviewed other faculty reappointments and provided feedback
- Developed the Associate of Science in Cybersecurity degree program
- Participated in the completion of the Computer Science program review
- Perform peer reviews of Adjunct faculty

Attended the "3CS Community College Cyber Summit" in Portland, Oregon, August 2018
